

## IRVINE STUDENTS MAKE HISTORY

Congratulations to the Irvine **CubeSat STEM Program** as we celebrate not one, but two, successful launches of their CubeSat miniature satellites! The launches of Irvine01 and Irvine02 occurred just weeks apart, making history as the first all high school student-built CubeSat program to launch two spacecraft in the same year. <https://ipsf.net/news/oc-high-school-students-make-history/>

## PARENTS MAKE AN IMPACT

Thank you to all of the generous supporters who have donated to the Educational Excellence Fund! View a list of their names on our online [Donor Honor Roll](#). Your participation at any level helps to fund small learning groups, music, science, and health & wellness in our schools. Together, we make a difference!

There is still time to [make your gift](#) to claim a tax-deduction for 2018. Give a gift of any amount by Dec. 31, and the City of Irvine will generously **match** every donation to IPSF - dollar for dollar. This means that with a **\$50** donation, **\$100** will go toward your child's education. [www.ipsf.net/eef](http://www.ipsf.net/eef)

## IRVINE TALKS TICKETS

Join us on **Saturday, December 15** for the second chapter of Irvine Talks. This special event was created by a small group of passionate students from each of our high schools who envisioned providing the community with a night of performance and creativity with a purpose. This year, performers will be exploring the human condition through the lens of "Perspectives". Get your tickets at [www.irvinetalks.com](http://www.irvinetalks.com)

## SAVE THE DATE: ENRICHMENT DAY 2019

**Monday, February 11** is a district-wide school holiday. If you do not have plans for your student, we have good news! Students in Grades 2-8 are invited to spend the holiday at IPSF Enrichment Day. The day will run from 8:30 a.m. to 4 p.m. at Creekside High School. Students may pre-register for four classes in a variety of fun and engaging subjects. Cost is \$90 per student. Online enrollment will open on **January 14** at <https://portal.ipsfacademy.org/index.php?pro=10>.
