## THANK YOU PATS SUPPORTERS

Teachers and IUSD staff's work on campus and in the digital classroom inspires students every day. We are so grateful for their dedication and commitment to ensuring that educational excellence continues while our schools are closed. We would like to thank all the parents who participated in this year's Parents Appreciating Teachers & Staff (PATS) program! Your contributions to PATS ensure that innovation will continue to be supported in classrooms throughout the district through the Innovative Grants Program. <https://ipsf.net/what-we-do/teacher-grants>.
