## IGNITING POTENTIAL COMMUNITY INITIATIVE

IPSF is proud to support K-12 Mental Health programs as part of our annual donation to the school district. During this turbulent time, it is even more crucial for us to support the well-being of the whole child, including mental health. Please join us on September 23 for [\*Igniting Potential\*](#), a community initiative with 11 organizations committed to raising funds for youth in Orange County, including Irvine Public Schools Foundation. Funds raised for IPSF on this day will specifically support mental health resources in our schools.

**50 contributions on 9/23 will unlock a \$10,000 donation from Tillys, Inc. to support this important effort!**

In addition, all donations are matched by City of Irvine, tripling your impact! <https://igniting-potential-giving-day.ocnonprofitcentral.org/organizations/irvine-public-schools-foundation>

## TOGETHER WE WILL MAKE THIS YEAR AMAZING FOR STUDENTS!

As students begin the new school year, it is clear this year they will need our support more than ever! Save the date for IPSF GIVING DAY and let's *Turn Irvine Orange* on October 16. Great schools don't just happen, it takes a community dedicated to educational excellence. A community of people like YOU!

Understanding the stakes are high, we have set an ambitious goal to raise \$250,000 this fall! With every gift matched dollar-for-dollar by the City of Irvine - together we can raise \$500,000 to support Irvine students and schools. <https://ipsf.net/eef2020/>
