

BEYOND EDUCATION LLC

Building upon Irvine Public Schools Foundation's (IPSF) more than twenty-five years of successfully supporting educational excellence and equity in K-12 schools throughout Irvine, Beyond Education LLC was born. As a wholly-owned subsidiary of IPSF, Beyond Education LLC's purpose is to strategically guide and consult with other school districts in the formation or advancement of their own education foundations.

Beyond Education LLC serves as a train-the-trainer model, providing resources and expertise to support the development and execution of programmatic and fundraising models to support the unique goals of school districts near and far.
